2020 EDGE JUNIOR GYMNASTICS
STAGE 2 TIMETABLE

Junior Gymnastics class levels and age groups will be combined due to the current government restrictions. Classes will be divided by both age and ability when restrictions ease if required. We focus on the dominant movement patterns and assist in the development of childhood milestones. We develop these through safe, exciting and fun activities that use age specific equipment as well as Olympic apparatus. Edge's Junior Program assists in the improvement of fine and gross motor skills, balance, co-ordination, spatial awareness, problem solving, discipline and self-achievement.
