OPEN VIEWING WEEK

The Parent open viewing classes run during the April school holidays were a great success. Parents really enjoyed the opportunity to see their children in action in a less crowded environment. As we cannot facilitate a safe and socially distanced viewing during regular classes, Edge will continue to run Parent open viewing classes in the final week of upcoming school holidays. Bookings can now be made via the [Parent Portal](#). Limited seating is available.

CHECK-IN

A reminder for all parents and staff who enter Edge, to check-in on the Service Victoria App. Our unique QR code is displayed at the entrance to the gym. Children do not need to be checked in as we mark them off the role.

AHRC REPORT INTO GYMNASTICS AUSTRALIA

We acknowledge the Australian Human Rights Commission review of the culture and practices of gymnastics in Australia recently published.

The report was confronting, identifying systemic issues that affect athlete experience and wellbeing at all levels of the sport including a focus on 'winning-at-all-costs', silencing of the athlete voice, an unhealthy focus on the 'ideal body', particularly for young female athletes, and an acceptance of archaic and authoritarian coaching practises.

The culture at Edge Gymnastics of member safety, having fun and caring for each other is the foundation of our centre. We support our families by working with them to make sure family time is a priority. Edge requires all coaches to be fully qualified and trained in child safety. Coaches regularly refresh their training to ensure they are up to date with the latest policies and procedures. Our child safety officer is available to talk to if you have any concerns.

LOCKDOWN PROCEDURE

In the event of a COVID-19 lockdown and Edge can no longer provide 'in gym' classes, DG and Squad sessions will be automatically moved online, and members will be emailed the relevant zoom class log in details. Class start and end times may differ to your regular class time. No credits or refunds will be issued for not attending the provided zoom class.

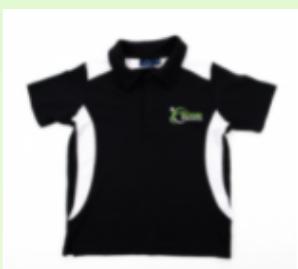

MANAGING ILLNESSES

Please keep your children home from gym who show any signs of a sore throat, runny nose, cough, fever, chills, or sweats. Parents of children displaying these symptoms whilst at gym will be asked to collect them early. This is to ensure the health and safety of all members and staff. If your child has been absent from school, they're not well enough to come to gym. All absences should be marked in the Parent Portal prior to their lesson and make up classes are available

FACE MASKS

Further to the Victorian government announcement on 24 May, anyone over the age of 12 must wear a face mask when entering the centre. Gymnasts can remove their masks whilst training, however, any static movements require a mask to be worn.

EDGE CLOTHING

Edge merchandise is available to purchase via the Parent Portal Pro shop. Click [here](#) to purchase polar fleece jumpers, personalised polo tops, long sleeved t-shirts, tracksuits and so much more!

TERM 2 DG SKILLS TESTING

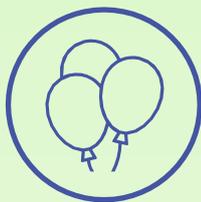

This week we will complete skills testing of our DG gymnasts. Individual results can be viewed in the parent portal under student evaluations once testing is complete.

TERM 3 PAYMENTS

It is expected that credit card details are kept on file for all families to pay via our automatic fortnightly direct debit. Those families who wish to pay term three in advance, please contact the office and a statement will be issued to you for payment prior to June 21.

STATE GYMNASTICS CENTRE

Our Squad girls recently held a training session at the State Gymnastics Centre. Having 100% attendance the day was a huge success. Lots of exiting skills were performed and learned and many fears conquered. They're looking forward to their next training date on June 12.

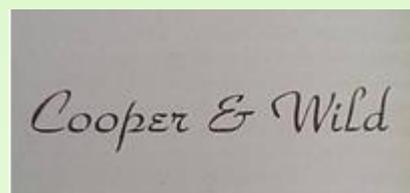

BIRTHDAY PARTIES

Birthday Parties at Edge have been very popular in 2021! Take the stress out of planning and leave the details to us. Contact our Party Coordinator, Lilli, to book on 9939 6040!

DROP OFF AND PICK UP PROCEDURES - REMINDER

To ensure the safety of everyone please make your children familiar with the drop off and pick up procedure below:

Drop Off: Edge's main entrance door will be open 5 minutes before and after class start time. Parents/guardians of children under the age of 12 years are to arrive and wait outside the gym with your child/children prior to the start of their class. Parents/guardians are not to drop children under the aged of 12 years any earlier than 5 minutes prior to classes without pre-organising with the Edge Administration Staff.

Late arrivals: If you arrive late, please ring the doorbell located on the Pin Code panel (*) and a staff member will come to you. Please be patient as our coaches may have to pause their class in order to attend to the front door.

Pick Up: Gymnasts are dismissed inside the gym. Please wait for your child at the gymnast pick-up zone located at the front door to ensure they safely exit the venue. All members will be asked if they can see their parent, guardians or designated lift prior to leaving the gym and are advised to return to their coach if they are unable to see their lift. Children under the age of 12 are instructed not be allowed to leave the gym without an adult. Please reinforce this behaviour by asking your child to wait inside for you.

Early/late pick up: If you need to pick up your child early or someone else will be picking up your child, please let an Edge staff member know prior to your child's class commencing. If you know you may be late to collect your child, please notify your child's coach so your child may wait in the gym with their coach until you arrive. Edge understands that due to unforeseen circumstances you may be late for pick up. Please ensure to call the emergency phone on 0423 610 335 to advise Edge staff so alternate arrangements can be made at the end of your child's class.

If you have any concerns please get in contact with our Child Safety Officer, Kate Short (centremanager@edgegymnastics.com.au)
